USAGI-SAN'S WAY OF THE NINJA ①

Making my debut was the first chance I sent ♪

Nao only did that dream not leave me, but was filled with a hollow sense of loss as well. I decided to take a hard look at the reason behind my failure.

Thought I was one of the better drawers at school there were a lot of people who were far better than me out in the world. Even if I work as hard as those people, I may never be able to earn half as much as them. But if so what I am?

Cannot I think of it. I was a pretty mediocre middle schooler

STAY LIKE THIS UNTIL THOSE MEN PASS BY US.
DON'T LOOK!
MEN?!
CRACK!
CRACK!
IS IT THE ENEMY?!
WHO ARE THEY?!
